out by Ariel Sharon*

## South African Apartheid 1976

Fed up with restrictions and discrimination, South Africans uprising against the apartheid policy which was highly effective of achieving its goal of preferential treatment for whites.

## Israeli Apartheid 2001

Photo by James Longley

Fed up with restrictions and discrimination, Palestinian women and children uprising near an Israeli Army checkpoint in the southern Occupied Gaza Strip to protest a 34-year illegal Israeli military occupation, home demolitions, and Israeli apartheid.

*Isn't it time that we deal with Apartheid Israel in the same way we dealt with Apartheid South Africa?*

*Ask our government to cease international aid and arms sales to Israel.*
